Signature Talk

The Triple-A Transformation

Creating congruence between who you are and who you want to be.

Description:

Professional development is essential for any organization, but it's *personal development* that drives change. Through compelling stories and engaging examples, Achie illustrates the importance of individual transformation in order to experience personal and professional success. Her 3-part framework inspires and challenges audiences to shift their thinking, heighten self awareness, and delve into the personal development needed to experience optimal success.

Ideal Audience:

Corporate and general audiences. Can be customized for keynote, workshop, or breakout sessions and tailored to your specific industry.

**Available for virtual and in-person events.*
